

The 2011 Impossible Montreal Scavenger Hunt

==

THE RULES (as ~~Stolen~~ Adapted from the University of Chicago Scav Hunt)

==

Rule the First

All items on the List can be obtained and performed legally and safely. It may involve smooth talking, or it may involve something else, but it is all possible. The Organizers take no responsibility for your getting into trouble with any laws (including but not limited to municipal, provincial, federal, international, physical or metaphysical). If you end up in jail, in space, inside out, it is your fault.

Rule the Second

Fair Play. Sabotage is bad. We don't like it, and we don't want it in the Hunt. Sabotaging teams or their items can lead to immediate disqualification.

Rule the Third

Contact with Judges. Only the Captain or the First Officer may communicate with the Judges, and only by email (impossible@montrealimprov.com) or in person. Please only communicate with the Judges if you are going to do it in a professional manner. If you have any questions about an unclear item or wording or interpretation, please do contact the Judges.

Rule the Fourth

Points. Point totals are final. We Judges give out points for the spirit of the item in its presentation. In some places, bonus points are also awarded for going above and beyond the Judges' concept of the Call of Duty. We can also deduct points if we feel you are trying to go against the values of the Hunt. Those values are: Fair Play. Munificence. Fun. Laughter of Children. Puppy Cuddles. Competition.

Rule the Fifth

Items. Most items remain the property of the teams that secured them, except for the items that explicitly call for surrender. Furthermore, we prefer not to harm large mammals that can make sad eyes at us. Most of the items are virtual anyways so only Morpheus can truly own them.

Rule the Sixth

Pictures. Please upload all pictures to your tumblr page. If for some reason that fails, grab a flickr account and use that and link to it from your tumblr (but this should never come to pass). Please use the highest resolution possible; do not compress them. Pixels are people, too. Important! For all submitted pictures, please have your 1" buttons visible in each shot as clearly as possible, even if there are no people in the shot. Ok. So maybe they are only a single pixel in the shot. But it should still be there! Please title or caption the shot with the Hunt List number (eg: Picture #5). Feel

free to add a note if it's not clear what is going on or to make whatever cheap excuses you may have. Pictures will no longer be accepted after 4pm on Sunday.

Rule the Seventh

Videos. Please upload all your videos to your YouTube account and then embed them in your tumblr. Try to edit your videos to be under 5 minutes, either with cuts or sped up). The closer to 1 or 2 minutes your video is, the happier and less blind the Judges become. Please title or caption the video with the Hunt List number (eg: Video #502). Feel free to add a note if it's not clear what is going on or to make whatever cheap excuses you may have. Videos will no longer be accepted after 4pm on Sunday. Don't forget to have your buttons visible where possible!

Rule the Eighth

Secrets. Sure, you may have some secrets you wish to keep from the other team. Bury them deep inside. Like your anger and resentment.

Rule the Ninth

Road Trips. Road Trips can be done without getting busted by the cops or breaking any rules. Please get it done that way. Use of 15-passenger vans or trucks is prohibited.

Driver requirements:

- a. Minimum age of 18 (If a rental car is used, the rental car company minimum age requirements apply).
- b. Must have held a valid driver's license for at least two years, which must be in driver's possession throughout trip.
- c. Must possess valid passports, should the mischiefs of foreign intrigue beckon.
- d. Must have more than 3,000 kms driving experience.
- e. May not have received moving violations or convictions or court-ordered supervision.
- f. Must be alcohol- and drug-free (it's the way to be), including illegal, prescription, and non-prescription drugs that could impair driving function or are used for any reason other than their FDA-approved intent.
- g. Must have valid automobile insurance.

Road Trip Management:

- a. No one may operate a vehicle for more than three consecutive hours or six total hours in one day.
- b. Total driving time may not exceed 16 hours within a 24-hour period.
- c. No driving permitted between midnight and 6 a.m.
- d. Another person must be awake in the seat next to the driver at all times.

The Captain of each team must certify in advance to the Judges that the team understands and agrees to abide by these regulations.

Rule the Tenth

The Tally. The Tally is supposed to be a fun party. Bring your friends. It's free to get in and there will be drinks. Sweet, right? We want the event to move along so please

have your Tally items ready to go. Here's a tip: Organize your items based on the order listed. In short, BE ORGANIZED.

Rule the Eleventh
Rules. This rules.

Rule the Twelfth
Prizes. Board games, tickets to the Museum, drinks, show passes and teeny tiny surprises.

Rule the Thirteenth
Decisions. All decisions of the Judges are final. Final. Don't be sore. Be a good sport. Smile.

Rule the Fourteenth
Final. See Decisions.

Rule the Fifteenth
Corrections. We're only human (for now). Any errors or changes will be announced on the website, the facebook page and the twitter feed.

Rule the Sixteenth
Rank. The Captain wears three buttons. The First Officer, Wizard and Pilot may wear two buttons. All other members wear one button. If you lose your button, go tell it to someone who cares. Like a Judge; he cares.

Rule the Seventeenth
17. Seventeen is no longer a prime number and is now divisible by roggo, where $17/\text{roggo} = 3$ and roggo is axiomatically defined to be an integer.
